Beverage Options

Below outlines the various forms of beverage service we can provide for your event. As a rule, we charge based on a flat rate, as this allows you to budget for the evening ahead of time, and avoids surprises at the end of the event. We can offer beverage service based on consumption, but only recommend this if you believe a large number of attendees will not be drinking. For off-premise catering, we do not offer a cash bar option.

Pricing for the following is based on four hours of service at a flat rate, followed by an hourly rate after four hours. We will approach the event host about 15 minutes prior to the end of the four hour period to determine whether to proceed after the four hours is up. Each hour after the four hour period will be billed on an hourly basis.

Soft Drinks

Non-Alcoholic assortment of soft drinks and juices.

\$7 per person for four hours; \$2 per hour after four hours.

Fresh Squeezed Juices will add \$5/person

Beer and Wine

Beer selections, either bottled, or draft, or a combination of both, and wine with two red and two white selections (based on standard house pour). Includes soft drinks, ice and fruit.

\$19 per person for four hours; \$5 per hour after four hours.

Standard Full Bar

Same as above, with the addition of standard brand liquors, e.g. Popov Vodka, Fleischmann's Gin, Clan MacGregor Scotch, etc. In addition, this includes standard mixers, orange and cranberry juice. \$25 per person for four hours; \$6 per hour after four hours.

Call Bar

Same as Standard Bar, but with higher level wines, and Call brand liquors, for example, but not limited to: Absolut or Stolichnaya Vodka, Bombay or Beefeater Gin, Mt. Gay or Bacardi Rum, Johnny Walker Red or Dewars Scotch, etc. \$29/\$8

Premium Bar

Same as Call, but with Premium brand liquors: Grey Goose, or Smugglers Notch Vodka, Hendrix, Bombay Sapphire, or Silo (VT) Gin, Barbancourt Haitian Rum, Johnny Walker Black Scotch, etc. \$32/\$9

Please note that these brands are examples only, and we will be happy to customize a bar menu, including specialty drinks, to your liking.

Whether on premise at our restaurant, or anywhere we serve, it is our responsibility to follow all Vermont Liquor laws, but more importantly, to ensure that our service allows for responsible enjoyment of the event.
